DEAR MR. WEISBERG,  
I HAVE JUST COMPLETED  
YOUR WORK FRAME-UP  
ON JAMES EARL RAY  
& MARTIN LUTHER  
KING, AND I WAS  
SHOCKED BY THE  
CONTENTS. I HAD  
NOT DONE MUCH  
READING ON THAT  
BEFORE, AND I DON'T  
THINK I'LL NEED TO  
READ ANYTHING ELSE  
ON IT. A VERY  
GOOD BOOK VERY  
INFORMATIVE & REVEALING.  
I JUST GOT THE  
FIRST 2 BOOKS

THAT YOU SENT  
THANK YOU VERY  
MUCH. I AM  
NOW ORDERING  
WHITEWASH II &  
WHITEWASH IV.

I WOULD LIKE  
TO GET THE BOOK  
ON OSWALD AS  
WELL AS WHITEWASH.  
IS IT AVAILABLE  
AND WHAT WOULD  
THE PRICE BE?

I WILL TRY TO  
FIND THE TWO  
BOOKS YOU POINTED  
OUT TO READ. I  
HAVE JUST FINISHED

THE WEB By  
JAMES DUFFY.  
TAKE4 FROM GOV.  
OPEN SOURCES  
W.C. & SENATE &  
ROCKEFELLER COMM.

IT IS GOOD IN  
THE SENSE IT  
SETS OUT THE RECORD  
CHRONOLOGY OF  
OSWALD, LIKE YOUR  
BOOK IT POINTS  
NO FINGERS BUT  
PRESENTS THE RECORD.  
NO STARK REVELATIONS  
EITHER THOUGH.

THE STATEMENT THAT  
YOU MAKE IN

POSTMORTEM ON  
THE BOOK  
FAREWELL AMERICA  
IS REMARKABLE COULD  
YOU PROVIDE FURTHER  
INFORMATION OR  
COMMENT. DO YOU  
THINK IT WAS A  
DISINFORMATION  
OPERATION BY THE  
U.S. & ALLIES TO  
DISCREDIT THE CRITICS  
OR WHAT? NEEDLESS  
TO SAY I CAN'T  
FIND THE BOOK.  
I HOPE YOU CAN  
BE OF SOME HELP.  
ALSO, I NOTED 14

POSTMORTEM YOUR  
BOOK TITLED TO LIVE  
HOW IS THAT GOING?  
I HOPE THIS FINDS  
YOU WELL AND  
FEELING BETTER.

I DO TRULY ADMIRE  
AND RESPECT YOUR  
LIFE TIME EFFORTS  
AS SET FORTH IN  
THESE BOOKS YOU  
ARE VERY COURAGEOUS.  
YOUR WIFE MUST  
BE A MAGNIFICENT  
WOMAN, AND YOU  
MUST KNOW HOW  
LUCKY YOU HAVE BEEN  
TO HAVE HER BY

SIDE THOUGHT  
ALL OF THIS.  
BEST WISHES TO  
YOU BOTH.

SINCERELY,  
Bronson

Dear Mr. Berg,

Thank you very much for the nice things in your letter.

If by the book on Oswald you mean Oswald In New Orleans, we did get a couple.

If you want one it is \$26.00. It was originally 95¢!

I've not seen Duffy's The Web. Don't remember hearing about it,

I don't know where any copies of Farewell America can be gotten.

It was a fake book, from beginning to end. It was done by the French SDECE, its equivalent of our CIA.

It was and was intended to be disinformation. It was timed to coincide with what Garrison was doing and perhaps to get him to hoist himself on his own petard.

There is no evidence that SDECE had connections with any other government in this but I don't know, why they would do it on their own in not apparent.

I had my first venous thrombosis while Post Mortem was being printed. When I wrote the book I did plan Tiger To Ride but the limitations imposed on me by my health prevented my doing that book.

What you say about my wife is quite true. Without her great and not often known labor what I've done would have been impossible. Thanks for appreciating that, too.

Best wishes,

*Harvey*
